***Prices start at \$6999+ tax***

**COLORED CONCRETE PICNIC TABLE**

Heavy duty picnic table with all-in-one table surface and seat pedestals. Dimensions 92"x65", 2500lbs.

**Transport without disassembly**

Forklift can move entire table intact to enable ease of movement. Tables can be reorganized or moved for storage

**SOLAR SHADE ENABLES REMOTE POWER**

Overhead shade includes three solar panels to produce 300W of power for table power outlets.

**110V & USB OUTLETS**

Four standard 110vac outlets and four 2.4/3A USB outlets at table surface powered by on-board power module with storage battery.

**Daytime or Day&Night** table versions. Daytime version prevents undesirable night time use.

**Wi-Fi INTERNET**

Range extender for expanding wifi signal from table-to-table (Option for Day&Night table only)

**LED NIGHT LIGHTS**

Dual surface lights are automatically enabled dusk-to-dawn (Standard on Day&Night table only)
