

ShadeCharger Warranty Statement

(Revised Sept 20, 2024)

ShadeCharger products are not intended for medical or life support purposes. They are intended for recreational use only. Absolute performance standards are warranted.

ShadeCharger products are covered by this warranty against manufacturing defects. Products must be used in normal application, in the original installation site. Failures caused by wear and tear or extreme weather exposure such as excessive snow load, hurricanes or tornados are not covered under this warranty.

The term of the warranty is 1-year. This warranty applies to the owner of the original installation site and is not transferable to 3rd parties.

During the 1-year warranty period ShadeCharger will provide replacement components for defective items that fail to function.

Exclusions:

Deterioration of metallic components due to corrosion is not covered under this warranty. Cosmetic deterioration is not covered. Minor cracks in concrete tables are not covered as internal rebar provides strength.

Surface finish and color will fade over time and are not covered.

Replacement components are based on the best available solution at the time of failure. Original part model and appearance is not assured.

This coverage is limited to like-kind component replacement only. Costs for removal or installation are not included.

This warranty applies only to the purchased Net or Shade components only. Removal and installation cost are not included in this warranty.

Limitations

Seller is not liable for loss-of-use expenses, consequential damages, or losses of any type.
